3.1.2 Contract - A binding contract shall consist of: (1) the RFQ and any amendments thereto, (2) the contractor's response (bid) to the RFQ, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award". All Exhibits and Attachments included in the RFQ shall be incorporated into the contract by reference.

- b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.

Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. At the time of contract renewal, if the state determines funding does not permit the specified renewal pricing increase or even a portion thereof, the renewal pricing shall remain the same as during the previous contract period. If such action is rejected by the contractor, the contract may be terminated, and a new procurement process may be conducted. The contractor shall also understand and agree the state may determine funding limitations necessitate a decrease in the contractor's pricing for the renewal period(s). If such action is necessary and the contractor rejects the decrease, the contract may be terminated, and a new procurement process may be conducted.

3.1.5 Contract Price - All prices shall be as indicated on the Pricing Page. The state shall not pay nor be liable for any other additional costs including but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

 - c. Under no circumstances shall the contractor be liable for any of the following: (1) third party claims against the state for losses or damages (other than those listed above) or (2) economic consequential damages (including lost profits or savings) or incidental damages, even if the contractor is informed of their possibility.

Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. - 3.1.9 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the State of Missouri and to ensure that the State of Missouri is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the State of Missouri and the contractor.
- a. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract.
 - b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein.

c. Pursuant to subsection 1 of section 285.530, RSMo, no contractor or subcontractor shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the state of Missouri. a. The contractor shall prepare and submit to the Department a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Department.

b. The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

c. If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded bid.

- 1) The contractor must obtain the written approval of the Department for any new entities. This approval shall not be arbitrarily withheld.
- 2) If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Department detailing all efforts made to secure a replacement. The Department shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.

3.1.11 No later than 30 days after the effective date of the first renewal period, the contractor must submit an affidavit to the Department. The affidavit must be signed by the director or manager of the participating Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the Department or the Department throughout the effective period of the contract.
- 3.1.15 Order Quantities - The quantities indicated in this Request for Quotation are estimates that pertain to the total aggregate quantities that may be ordered throughout the stated contract period. The estimates do not indicate single order amounts unless otherwise stated. The State of Missouri makes no guarantees about single order quantities or total aggregate order quantities.

- 3.1.16 Property of State - All documents, data, reports, supplies, equipment, and accomplishments prepared, furnished, or completed by the contractor pursuant to the terms of the contract shall become the property of the State of Missouri. Upon expiration, termination, or cancellation of the contract, said items shall become the property of the State of Missouri.
- 3.1.17 Confidentiality:
- a. The contractor shall agree and understand that all discussions with the contractor and all information gained by the contractor as a result of the contractor's performance under the contract shall be confidential and that no reports, documentation, or material prepared as required by the contract shall be released to the public without the prior written consent of the Department.
 - b. If required by the Department, the contractor and any required contractor personnel must sign specific documents regarding confidentiality, security, or other similar documents upon request. Failure of the contractor and any required personnel to sign such documents shall be considered a breach of contract and subject to the cancellation provisions of this document.
- 3.1.18 The contractor shall not perform any work under the contract that by Missouri law (section 290.250, RSMo) requires prevailing wage. The contractor must notify the Department if any requested work would involve prevailing wage; the Department shall then arrange for said work outside the subject contract in accordance with Missouri law.
- 3.1.19 Hazard Communication Safety Data Sheets and Labeling Requirements- The State of Missouri, Department, in accordance with the revised rules and regulations of the Occupational Safety and Health Administration (OSHA) requires that all hazardous chemicals and other appropriate commodities purchased by the State of Missouri must contain a safety data sheet and warning labels with each shipment compliant with OSHA's Hazard Communication Standard. The contractor's Safety Data Sheets shall comply with the OSHA uniform formatting requirements that are to become effective June 1, 2015, and the contractor's Safety Data Sheets shall always comply with any changes to those OSHA requirements. Failure to comply with this requirement may cause cancellation of the contract with goods returned at the contractor's expense as well as suspension from the solicitation list for future requirements.
- 3.1.20 Federal Funds Requirements - The contractor shall understand and agree that the contract may involve the use of federal funds. Therefore, for any federal funds used, the following paragraphs shall apply:
- a. Steven's Amendment – In accordance with the Departments of Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, Public Law 101-166, Section 511, "Steven's Amendment", the contractor shall not issue any statements, press releases, and other documents describing projects or programs funded in whole or in part with Federal funds unless the prior approval of the Department is obtained and unless they clearly state the following as provided by the Department:

END OF PART THREE: GENERAL CONTRACTUAL REQUIREMENTS

4. BID SUBMISSION, EVALUATION, AND AWARD INFORMATION

4.1 Contact:

4.1.1 Any and all communication from vendors regarding specifications, requirements, competitive bid process, etc. related to the bid document must be referred to the contract specialist identified on the first page of this document. Such communication should be received at least ten calendar days prior to the official bid opening date.

4.2 Open Records:

4.2.1 Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the bids are opened. Therefore, the vendor is advised not to include any information that the vendor does not want to be viewed by the public, including personal identifying information such as social security numbers.

4.3 Compliance with Terms and Conditions:

4.3.1 The vendor is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the RFQ and its contractual requirements. The vendor agrees that in the event of conflict between any of the vendor's terms and conditions and those contained in the RFQ, that the RFQ shall govern. Taking exception to the State's terms and conditions may render a vendor's bid non-responsive and remove it from consideration for award.

4.4 Description of Product:

4.4.1 The vendor should present a detailed description and information of all products and services proposed in the response to this Request for Quotation. It is the vendor's responsibility to make sure all products proposed are adequately described in order for the state to conduct an evaluation of the bid to insure its compliance with mandatory technical specifications. It should not be assumed that the evaluator has specific knowledge of the products proposed; however, the evaluator does have sufficient technical background to conduct an evaluation when presented complete information. In the event this information is not submitted with the bid, the buyer may, but is not required to, seek written clarification from the vendor to provide assurance that the product bid meets specifications.

- a. Pre-printed Marketing Material - The vendor may submit preprinted marketing materials with the bid. However, the vendor is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the vendor. The vendor is strongly discouraged from relying solely on such materials in presenting products and services for consideration by the state.
- b. Deviations - It is the vendor's responsibility to submit a bid that meets all mandatory specifications stated herein. The vendor should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the RFQ. Any deviation from a mandatory requirement may render the bid non-responsive. Any deviation from a desirable specification may be reviewed by the state as to its acceptability and impact on competition.

4.5 Evaluation and Award Process:

4.5.1 After determining that a bid satisfies the mandatory requirements stated in the Request for Quotation, a cost analysis shall be conducted. The contract shall be awarded to the lowest priced responsive vendor.

4.6 Evaluation of Cost:

- 4.6.1 The evaluation of cost shall cover the original contract period including any renewal periods.
- 4.6.2 The vendor must provide firm, fixed pricing as required on Exhibit A, Pricing Page, for all line items, including all renewal pricing.
- 4.6.3 The cost evaluation shall be conducted by multiplying the quoted price per item by the respective estimated quantity for that line item. The cost evaluation shall include all mandatory requirements and any renewal pricing. However, the Department reserves the right to evaluate optional items, if deemed necessary.
 - a. Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

Lowest Responsive vendor’s Price Compared vendor’s Price	x	100 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points
---	---	---------------------------------------	---	-----------------------------------

- b. The vendor shall agree and understand that the quantities used in the evaluation of cost are provided solely to document how cost will be evaluated. The State of Missouri makes no guarantee regarding the accuracy of the quantities stated nor does the State of Missouri intend to imply that the figures used for the cost evaluation in any way reflect actual nor anticipated usage.
 - (26) Occurrences of Lawn Maintenance
 - (2) Occurrences of Herbicide Application
 - (10) Occurrences of Supplemental Service – Additional Mowing

- 4.6.4 Vendor Information - The vendor should provide information about the vendor’s organization on Exhibit B.
- 4.6.5 Experience - The vendor should provide information related to previous and current services/contracts of the vendor or any proposed subcontractor where performance was similar to the required services of this RFQ. The information may be shown on Exhibit C or in a similar manner.

4.7 Determination for Award:

- 4.7.1 The award shall be made to the lowest priced responsive vendor. Other factors that affect the determination of the lowest price responsive vendor include consideration of the Blind/Sheltered Workshop Preference explained in the paragraphs that follow.
- 4.7.2 The State of Missouri reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the vendor to meet mandatory general performance specifications; and/or 2) failure of the vendor to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the vendor within the past three years. As deemed in its best interests, the State of Missouri reserves the right to clarify any and all portions of any vendor’s offer.

4.8 Organizations for the Blind and Sheltered Workshop Preferences:

- 4.8.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a five (5) to fifteen (15) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

4.8.2 In order to qualify for the bonus points, the following conditions must be met and the following evidence must be provided:

- a. The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.
- b. The services performed or the products provided by an organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- c. If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the following information with the bid:

- 1) Participation Commitment - The vendor must complete Exhibit D, Participation Commitment, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor must be listed in the appropriate table on the Participation Commitment Form.
- 2) Documentation of Intent to Participate – The vendor must either provide a properly completed Exhibit E, Documentation of Intent to Participate Form, signed and dated no earlier than the RFQ issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the RFQ issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor is not required to complete Exhibit E, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

- d. A list of Missouri sheltered workshops can be found at the following Internet address:
<http://dese.mo.gov/special-education/sheltered-workshops/directories>
- e. The websites for the Missouri Lighthouse for the Blind and the Alhaphointe Association for the Blind can be found at the following Internet addresses:
<http://www.lhbindustries.com>
<http://www.alhaphointe.org>
- f. Commitment – If the vendor's bid is awarded, the organization for the blind or sheltered workshop participation committed to by the vendor on Exhibit D, Participation Commitment, shall be interpreted as a contractual requirement.
- g. If all requirements are met, the vendor shall receive a five (5) to fifteen (15) point bonus to a bid meeting specifications or bid that includes subjective or other criteria deemed in the best interest of the state and provided in the solicitation document.

- 1) A sliding scale for the award of points shall range from a minimum of five (5) points to a maximum of fifteen (15) points. The award of the minimum five (5) points shall be based on the bid containing a commitment that the participating nonprofit organization or workshop is providing the greater of two percent (2%) or five thousand dollars (\$5,000.00) of the total contract value of bids for purchase not exceeding ten million dollars.
- 2) Where the commitment in the bid exceeds the minimum level set forth in section 34.165 to obtain five (5) points, the awarded points shall exceed the minimum five (5) points, up to a maximum of fifteen (15) points. The formula to determine the awarded points for commitments above the two percent (2%) minimum shall be calculated based on the commitment in the bid (expressed as a number, not as a percentage) times 2.5 points:

$$\text{Vendor's Commitment Number} \times 2.5 \text{ points} = \text{Awarded Points}$$

Examples: A commitment of 3% would be calculated as: $3 \times 2.5 \text{ points} = 7.5 \text{ awarded points}$. A commitment of 5.5% would be calculated as: $5.5 \times 2.5 \text{ points} = 13.75 \text{ awarded points}$. Commitments at or above six percent (6%) shall receive the maximum of fifteen (15) points.

4.9 Missouri Service-Disabled Veteran Business Preference:

- 4.9.1 Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to vendors who qualify as Missouri service-disabled veteran business enterprises and who complete and submit Exhibit F, Missouri Service-Disabled Veteran Business Enterprise Preference with the bid. Fingerprint Requirements

All personnel of the contractor are required to submit fingerprints to the Missouri State Highway Patrol to enable the Office of Administration, Division of Facilities Management, Design and Construction (FMDC) to receive state and national criminal background checks on such personnel. FMDC will also check with law enforcement to determine if any of the contractor's personnel has an outstanding warrant for his or her arrest. FMDC reserves the right to prohibit any personnel of the contractor from performing work in or on the premises of any facility owned, operated, or utilized by the State of Missouri for any reason.

The contractor shall ensure all of the contractor's personnel submit fingerprints to the Missouri State Highway Patrol and pay for the cost of such background checks. All personnel of the contractor approved by FMDC to work at a State facility must obtain a contractor ID badge from FMDC prior to beginning work on-site, unless the Director of FMDC, at the Director's discretion, waives the requirement for a contractor ID badge. The contractor and the contractor's personnel must comply with the process for background checks and contractor ID badges found on FMDC's website at: <https://oa.mo.gov/facilities/facilities-operations/security-information/fmdc-contractor-id-badges>.

Pursuant to section 43.540, RSMo, FMDC participates in the Missouri Rap Back and National Rap Back programs as of August 28, 2018. This means that the Missouri State Highway Patrol, Central Records Repository, and the Federal Bureau of Investigation will retain the fingerprints submitted by each of the contractor's personnel, and those fingerprints will be searched against other fingerprints on file, including latent fingerprints. While retained, the contractor's personnel fingerprints may continue to be compared against other fingerprints submitted or retained by the Federal Bureau of Investigation, including latent fingerprints.

As part of the Missouri and National Rap Back programs, FMDC will receive notification if a new arrest is reported for the personnel of the contractor whose fingerprints have been submitted for FMDC after August 28, 2018. If the contractor's employee is performing work on a State contract at the time of the arrest notification, FMDC will request and receive the contractor's personnel updated criminal history records. If the contractor's employee is no longer performing work on a State contract, FMDC will not obtain updated criminal records.

Pursuant to section 43.540, RSMo, the Missouri State Highway Patrol will provide the results of the contractor's personnel background check directly to FMDC. FMDC may NOT release the results of a background check to the contractor or provide the contractor any information obtained from a background check, either verbally or in writing. FMDC will notify the contractor only whether the contractor's personnel is approved to work on State property.

Each of the contractor's personnel who submits fingerprints to the Missouri State Highway Patrol has a right to obtain a copy of the results of his or her background check. The contractor's personnel may challenge the accuracy and completeness of the information contained in a background check report and obtain a determination from the Missouri State Highway Patrol and/or the FBI regarding the validity of such challenge prior to FMDC making a final decision about his or her eligibility to perform work under a State contract.

The contractor shall notify FMDC if the contractor's personnel is terminated or resigns from employment with the contractor. If the contractor does not anticipate performing work on a State contract in the future, the contractor may request that FMDC remove the contractor's personnel from the Rap Back programs. However, if removed from the Rap Back programs, the contractor's personnel will be required to submit new fingerprints should the contractor be awarded another State contract.

Upon award of a contract, the contractor should contact FMDC to determine if the contractor's personnel need to provide a new background check. If a contractor's personnel has previously submitted a fingerprint background check to FMDC as part of the Missouri and National Rap Back programs, the contractor's personnel may not need to submit another fingerprint search for a period of three (3) to six (6) years, depending upon the circumstances. The contractor understands and agrees that FMDC may require more frequent background checks without providing any explanation to the contractor. The fact that an additional background check is requested by FMDC does not indicate that the contractor's personnel has a criminal record.

Missouri Applicant Fingerprint Privacy Notice

The Missouri Applicant Fingerprint Privacy Notice includes three (3) sections.

- 1. The State and National Rap Back Privacy Notice
- 2. The Noncriminal Justice Applicant Privacy Rights
- 3. The Privacy Act Statement

4.11 State and Federal Rap Back Privacy Notice

Applicants submitting their fingerprint images to the Central Repository for a fingerprint based criminal record check are advised that their fingerprint images will be retained in state and federal biometrics databases, pursuant to Section 43.540 RSMo. If the submitting agency participates in the State or State and National Rap Back Programs, fingerprint images will be submitted, searched and retained for the purpose of being searched against future submissions to the State and National Rap Back programs; fingerprint searches will also include latent print searches.

The "Missouri Rap Back Program" and "National Rap Back Program" shall include any type of automatic notification made by the State Missouri and/or the Federal Bureau of Investigation through the Missouri State Highway Patrol to a qualified entity indicating that an applicant who is employed, licensed, or otherwise under the purview of the qualified entity has been arrested for a reported criminal offense and the fingerprints for that arrest were forwarded to the Central Repository or the Federal Bureau of Investigation by the arresting agency.

By signing the Missouri Applicant Fingerprint Privacy Notice you are acknowledging the receipt of and agreeing to the terms of the State and National Rap Back Privacy Notice, the Noncriminal Justice Applicant Privacy Rights, and the Privacy Act Statement.

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at: <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry.

Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

Written notification includes electronic notification, but excludes oral notification.
