Market Basket Cost Schedule Instructions:

HVAC Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

1. Columns A - G: These columns describe each of the line items covered in this market basket.
2. Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
3. Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4. Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable while $16.259 is not).
5. Column O: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
6. Column P: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
7. Column Q: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
8. Column R: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Market Basket Cost Schedule Instructions:

Lamps, Ballasts, Fixtures Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

1. Columns A - E: These columns describe each of the line items covered in this market basket.
2. Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
3. Columns G-J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4. Column K-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable while $16.259 is not).
5. Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percen
6. Column M: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
7. Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
8. Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.

Cleaning Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

1. Columns A - G: These columns describe each of the line items covered in this market basket.
2. Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
3. Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4. Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable while $16.259 is not).
5. Column O: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
6. Column P: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
7. Column Q: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
8. Column R: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
9. **Be sure to include your company name below.**

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

1. Columns A - E: These columns describe each of the line items covered in this market basket.
2. Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
3. Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4. Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable while $16.259 is not).
5. Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
6. Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
7. Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
8. **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.
** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Electrical Repairs and Equipment Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

1 Columns A - G: These columns describe each of the line items covered in this market basket.
2 Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future
3 Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4 Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable while $16.259

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.
** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Market Basket Cost Schedule Instructions:

Plumbing Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

1. Columns A - E: These columns describe each of the line items covered in this market basket.
2. Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee
3. Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4. Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable
5. Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
6. Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
7. Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
8. **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Power Tools and Accessories Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

1 Columns A - E: These columns describe each of the line items covered in this market basket.
2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for
3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. $16.25 is acceptable
5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
