1. PURPOSE:

This statewide contract is for the on-site maintenance of micrographic equipment located at various state agencies throughout the State of Missouri.

Contract C207022001-Equipment Maintenance Management Program with The Remi Group is an alternative available to agencies for procuring maintenance for micrographic equipment. (Contract C207022001 does not include supplies). Please refer to the statewide notice (C207022001) for more information.

2. ON-SITE MAINTENANCE:

The contractor must provide on-site maintenance to cover parts* and labor, including preventative maintenance inspections and all emergency service calls required by the state agency and found to be necessary by the contractor to keep the equipment in good operating condition. On-site maintenance includes all labor, mileage, travel time and replacement parts necessary to maintain the equipment in good operating condition.

*Note: The maintenance agreement does not include parts for the equipment that are designated by the manufacturer as a consumable part (glass, lamps, feed rollers, image maintenance kits, discs, paper, ribbons, print heads, print drum, developer or other components that are replaced due to normal wear and/or as specified in the relevant manufacturer's manual).

3. RESPONSE TIMES:

The contractor *must respond* to an agency's request for service by telephone within **one hour**. The contractor's on-site maintenance/repair response time *must be* within **six hours** of notification by the agency in need of service. The contractor must provide 9 hour per day, 5 day per week on-site maintenance services including preventative and remedial maintenance. The contractor should provide emergency service for weekends, vacations and state holidays.

4. PREVENTIVE MAINTENANCE INSPECTIONS:

Each regularly scheduled preventative maintenance inspection must include a complete inspection, essential cleaning, lubrication, replacement of worn or broken parts, and mechanical adjustments to accommodate new parts or to compensate for wear.

- **Three (3) preventative maintenance inspections** per year must be provided on each machine where maintenance costs are priced quarterly within this contract.
- **One (1) preventative maintenance inspection** per year must be provided on each machine where maintenance costs are priced annually within this contract. Items 002, 004, 006, 016, 018, and 034 require only (1) PMI per year.

5. PLACING SERVICE CALLS:

To place service calls to **Eastman Kodak Company**, please dial **1-800-356-3253** for the dispatch center. The dispatch center is available twenty-four (24) hours a day, seven (7) days a week. Also utilize this number to leave a message for a technician, order supplies, or review billings.
