STATEWIDE CONTRACT HISTORY

The following summarizes actions related to this Notification of Statewide Contract since its initial issuance. Any and all revisions have been incorporated into the attached document.

Contract Period	Issue Date	Summary of Changes
January 12, 2011 through May 31, 2011	January 18, 2011	Initial issuance of new statewide contract.

A & W Communications, Inc. will provide Kenwood two-way radios and accessories for all state of Missouri agencies. Some specified radios are priced as stated herein. Other Kenwood radios will be priced at a 30% discount from current Kenwood manufacturer's list price. Kenwood radio batteries are available at a 32% discount from manufacturer's current list price. Optional Kenwood items are priced as stated.

All Kenwood radios will be delivered within sixty (60) days.

All Kenwood radios will include manuals and documentation.

Kenwood mobile radios will include a mobile mount antenna kit, an external and internal speaker, hand microphone, and cabling. The mobile radios shall operate from the vehicle's 12 volt DC negative ground electrical system. All mobile radios shall support a minimum of 128 transmit-receive/tone frequency combinations and a minimum of ten channel groups. The contractor will provide dash mount and remote mount radios as indicated. Mobile radios shall be programmable from a personal computer and shall be able to transfer or clone its information to or from another like unit using a connecting cable between radios. Each unit shall be delivered pre-programmed. The contractor will provide programming software and licenses at no charge.

Kenwood hand held radios will include a flexible antenna, two rechargeable nickel-cadmium, lithium ion, or nickel metal hydride battery packs with a minimum 5-5-90 duty cycle at two watts for ten hours, and one compatible recharger for the batteries. Battery savers that disable the receiver are not allowed.

Kenwood radios will have a one-year warranty.

The contractor will provide a training and technical orientation course of instruction for the state agency's radio maintenance personnel.

The contractor will provided information to the state agencies regarding warranty repair locations for the Kenwood radios.

Use line item #001 for all items. C/S code 72551.

Additional technical specifications regarding the contract for Kenwood two-radios may be viewed on the State of Missouri intranet site at <http://agencyinfo.intra.state.mo.us/contracts/C211056001.pdf>.
