### **1.1 General Requirements:**

- 1.1.1 The contractor shall provide sign language interpreter services (hereinafter to as interpreter services) for any requesting state agency of the State of Missouri (hereinafter referred to as the state agency), in accordance with the provisions and requirements stated herein.
- a. The contractor shall provide interpreter services in the county(ies) indicated in the Notice of Award issued by the Division of Purchasing and Materials Management. The contractor shall provide interpreter services at site(s) designated by the state agency. If requested by a state agency, the contractor may provide services outside of an awarded county.
  - b. For the purposes of this document, interpreter services shall be the translation of English spoken or written concepts to any necessary specialized vocabulary used by a deaf person or the translating of a deaf person's specialized vocabulary to English spoken or written concepts. A telecommunications operator providing deaf relay service or a person providing operator services for the deaf person shall not be considered to be interpreting.
- 1.1.2 The contractor shall provide services on an as needed, if needed basis. The State of Missouri does not guarantee any usage of the contract whatsoever. The contractor shall agree and understand that any state agency of the State of Missouri may participate in the contract, but that the contract does not require mandatory participation by any state agency. The contractor shall agree and understand that the contract shall not be construed as an exclusive arrangement and if it is in the best interest of the State of Missouri, a state agency may, at its own discretion, obtain alternate services elsewhere.
- 1.1.3 Cooperative Procurement Program - If the contractor has indicated agreement on the Pricing Page with participation in the Cooperative Procurement Program, the contractor shall provide sign language interpreter services as described herein under the terms and conditions, requirements and specifications of the contract, including prices, to other government entities in accordance with the Technical Services Act (section 67.360, RSMo, which is available on the internet at: <http://www.moga.mo.gov/statutes/c000-099/0670000360.htm>.) The contractor shall further understand and agree that participation by other governmental entities is discretionary on the part of that governmental entity and the State of Missouri bears no financial responsibility for any payments due the contractor by such governmental entities.
- 1.1.4 Other services - If proposed by the contractor in response to the proposal, the contractor may also be requested to provide other miscellaneous services as an adjunct of the contractor's sign language interpreter services. However, the contractor shall agree and understand that any state agency shall only be permitted to use such other services in conjunction with the sign language interpreter services described herein and not on a stand-alone basis. If other services are requested by the using state agency, the contractor shall provide such services in accordance with instructions provided by the using state agency.

### **1.2 Assignment of Interpreter Services:**

- 1.2.1 The contractor shall provide interpreter services at any time 24 hours a day, seven days a week. Therefore, the contractor must be available in the manner (beeper service, phone voice, or message services, etc.) for a state agency to contact the contractor for services at any time 24 hours a day, seven days a week.
- 1.2.2 In the event multiple contracts exist for a particular location, except as otherwise stated herein, the state agency shall contact the lowest priced contractor for such service.
- a. Upon contact by the state agency, the contractor shall review the anticipated needs of the state agency and, except when services are needed within the next twenty-four (24) hours (hereinafter referred to as emergency interpreter services) the contractor shall advise the state agency within twenty-four (24) hours after the state agency's contact if the required interpreter services can be provided by the contractor within the time frame required by the state agency. For emergency interpreter service requests, the contractor must advise the state agency immediately if the contractor can meet the state agency's needs in regard to interpreting services.

For emergency interpreting requests, if the contractor does not contact the state agency within a reasonable time frame (as determined by the state agency on a case by case basis), the contractor shall agree and understand that the state agency shall have the right to contact the next lowest priced contractor to obtain the needed services.

- b. The contractor must decline to provide the needed interpreter services if competent interpreters or the level of interpreters requested are not available in the time frame required by the state agency.
  - 1) In the event the contractor is unable to perform services on a consistent basis as determined by the State of Missouri, the contractor's contract may be in breach and appropriate action may be pursued by the state.
- c. If required by the state agency, the contractor shall provide resumes with references for interpreter(s) available for use by the state agency. The contractor shall not be required to submit more than six (6) such resumes. The state agency reserves the right to conduct interviews with any interpreters identified as being available for interpreting services.
- d. If required by the state agency, any interpreter identified for providing interpreter services shall have a security clearance approved by the state agency prior to providing services for the state agency. The contractor shall request and receive the security clearance information from the Missouri State Highway Patrol for each interpreter. By no later than five (5) calendar days after state agency notification, the contractor shall provide the state agency with a completed Authorization for Release of Information Form (Attachment #1) individually signed by the contractor and the anticipated personnel who shall be providing service.
- e. Based on the reviews of resume information, security clearance information, and/or prior experience with a specific interpreter, the state agency reserves the right to determine any interpreter as unacceptable and reject any or all of the interpreter(s) selected by the contractor as unacceptable. The state agency should provide the contractor with justification for such rejection, however, the decision by the state agency regarding use of such interpreter shall be final and without recourse.

1.2.3 In the event the lowest priced contractor is unable to provide the required services due to unavailability of a qualified interpreter, the determination by the state agency of an unacceptable interpreter, or in the event that the contractor doesn't respond regarding the availability of interpreters within the required time frame, the state agency shall contact the next lowest priced contractor. If additional contracts exist, the state agency shall continue to use the same criteria until the needs of the state agency are met.

### **1.3 Specific Requirements for Sign Language Interpreter Services:**

- 1.3.1 The contractor shall coordinate all interpreter service assignments with the specific state agency requesting interpreter services.
- 1.3.2 In the event a state agency assignment exceeds two hours of interpreting or assignment is for a public meeting where (non-stop) continuous interpreting is required, the contractor shall provide two interpreters. The interpreters shall work together as a team so that no one interpreter provides interpreting services in excess of two continuous hours.
- 1.3.3 In the event a scheduled interpreter is unable to keep an appointment or in the event that a competent interpreter is no longer available, the contractor shall notify the requesting state agency in advance with at least a minimum of twenty-four (24) hours notice. The contractor shall provide a substitute interpreter with credentials and specialized skills equal to the originally scheduled interpreter. The contractor shall not be paid additional charges or fees for providing a substitute interpreter.
  - a. In the event the contractor is unable to provide a substitute for reasons beyond the contractor's control, the contractor must notify the requesting state agency of the contractor's inability to perform the requested service.

- 1) Notifying the state agency in advance shall relieve the contractor from providing a substitute for only that particular interpreting assignment.

1.3.4 The contractor shall provide sign language interpreters that are certified and licensed interpreters in accordance with section 209, RSMo and 5 CSR 100-200.100. The contractor shall ensure that the interpreters maintain their certificates and licenses in active status and good standing.

- b. Individuals involved in facilitating communication other than manual communication are exempt from sections 209.285 – 209.318, RSMo, and the Code of State Regulations under Title 5, Division 100, Chapter 200, until such time as an evaluation methodology can be implemented by the Board for Certification of Interpreters, the contractor shall abide by the methodology once implemented by the Board for Certification of Interpreters. Modes exempt are:
  - Cued Speech;
  - Oral Interpreting;
  - Tadoma;
  - Amanubet; and

1.3.5 The contractor shall not provide an interpreter in excess of forty hours per week for an individual state agency unless requested or approved by the state agency.

1.3.6 In accordance with all applicable laws, regulations, and procedures, the contractor and the contractor's interpreter shall maintain strict confidentiality of all information and records which the contractor or the interpreter provided by the contractor may come in contact with or be privy to in the course of providing services. The contractor and the contractor's interpreter provided by the contractor shall affirm, in writing, that confidential information shall not be disclosed either during or after the provision of services or following the termination of the interpreter's employment/association with the contractor.

1.3.7 Unless otherwise specified herein, the contractor shall furnish all material, labor, facilities, equipment, and supplies necessary to perform the services required herein.

#### **1.4 Specialized Sign Language Interpreter Requirements:**

1.4.1 The state agency shall identify the specific skill level (e.g. Comprehensive, Advanced, Intermediate) of interpreting services required at the time of the request for service.

- a. The skill levels can be viewed at the following link <http://www.sos.mo.gov/adrules/csr/current/5csr/5c100-200.pdf> (approximately pages 46-51) or in the Code of State Regulation at the following link <http://www.sos.mo.gov/adrules/csr/current/5csr/5c100-200.pdf> :
  - 1) The contractor shall provide an interpreter with a skill level of Advanced or Comprehensive when interpreting for persons who have speech impairments, as well as interpreting medical concepts/language, mental health therapy, mental health testing and evaluation, mental health topics in therapeutic situations, legal topics/concepts that focus on a client's incarceration, capacity, etc., and highly technical concepts such as data processing terms.
  - 2) Interpreting assignments that are not involved in helping to determine a client's mental or legal status shall not require higher than a skill level Intermediate unless the state agency chooses to term the assignment as specialized.
  - 3) Training sessions, similarly, shall not require higher than a skill level Intermediate even if the training is for mental health clients or employees.

1.4.2 The contractor shall understand and agree that the specific requirements of performing specialized interpretation services shall be identified by the state agency at the time of the request for service. For example, the contractor

may be assisting state agency personnel in the admission of a client to a psychiatric hospital. The contractor would have to interpret between the client and the client's doctor. The client(s) may be adult(s), child(ren), or adolescent(s). The specifics shall be identified by the using state agency at the time the contractor's services are requested.

## **1.5 Reporting Requirements:**

- 1.5.1 By no later than thirty (30) calendar days following the end of the contract period, the contractor shall submit a usage report to the Division of Purchasing and Materials Management of the services provided for all of the various using state agencies during the previous contract period. The contractor must submit the report using Attachment 2 in Excel. Reports in PDF or similar format shall be considered unacceptable. At a minimum the report must contain the information listed in Attachment 2.
- a. In addition, the contractor shall submit the usage report to any state agency requesting such report in a frequency requested by such state agency. The contractor shall submit the usage report to the requesting state agency for only those services provided for the specific state agency. The contractor must submit the report electronically, in an analysis-ready format specified by the state agency, such as Microsoft Excel or Access.
  - b. The contractor shall develop and provide ad hoc reports as required and requested by the Division of Purchasing and Materials Management or any state agency at no additional cost to the state. The contractor must submit the ad hoc reports electronically in an analysis-ready format specified and approved by the Division of Purchasing and Materials Management or requesting state agency.

- 1.6.1 The state agency shall attempt to give at least twenty-four hours notice to the contractor of cancellation of services previously requested.
- 1.6.2 The state agency shall inform the contractor of possible dangerous situations, including the behavior of the client. The state agency shall take every possible measure to ensure the safety of the contractor. However, the contractor may refuse to provide services for such situations with no negative reflection on contractual performance. The State of Missouri does not purport to identify every possible instance of a dangerous situation.
- 1.6.3 In the event a conflict and/or problem occurs with any interpreter(s) provided by the contractor, the state agency should notify the contractor.

## **1.7 Invoicing and Payment Requirements:**

- 1.7.1 Prior to any payments becoming due under the contract, the contractor must return a completed state Vendor Input/ACH-EFT Application, which is downloadable from the Vendor Services Portal at: <https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx>.
- a. The contractor understands and agrees that the State of Missouri reserves the right to make contract payments through electronic funds transfer (EFT).
  - b. The contractor must submit invoices on the contractor's original descriptive business invoice form and must use a unique invoice number with each invoice submitted. The unique invoice number will be listed on the State of Missouri's EFT addendum record to enable the contractor to properly apply the state agency's payment to the invoice submitted. The contractor may obtain detailed information for payments issued for the past 24 months from the State of Missouri's central accounting system (SAM II) on the Vendor Services Portal at:  
<https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx>
- 1.7.2 Upon completion of the specific interpreting assignment, the contractor shall invoice the state agency which has received the service. The invoice must state the name(s) of the interpreter providing service, the level of

interpreting provided (Comprehensive, Advanced, Intermediate), and the number of hours of service provided by each interpreter.

1.7.3 The contractor shall be paid for services provided according to prices stated on the pricing page for services actually provided.

- a. The contractor shall be paid on an hourly basis by the state agency requesting interpreter services and for which services have been provided. The hourly price for interpreting services shall begin at the scheduled time of the interpreting assignment as requested and authorized by the state agency, (provided the interpreter is present at the scheduled time), and shall be prorated to the quarter hour to correspond to the actual time of delivered service. The applicable hourly price chargeable shall be based on the time of the assignment of service.
- b. In the event the contractor provides interpreter service within twenty-four hours of the state agency's request, the contractor shall be entitled to the emergency fee stated on the Pricing Page, in addition to the hourly price for service. The emergency fee shall be a one-time charge and shall be assessed only once for the specific work assignment to which it applies.
- c. In the event the contractor's services are required for less than two hours for attending any scheduled interpreting assignment as requested and authorized by a state agency or in the event an interpreting assignment is cancelled by the state agency without at least twenty-four hours notice of the cancellation, the contractor shall be paid for two hours of service. In the event an assignment is cancelled by the state agency without at least twenty-four hours notice of the cancellation and more than two hours of services were requested, the contractor shall be paid for the amount of time the assignment was requested.
  - 1) In no event shall the contractor be paid for more than one interpreter for an assignment that was scheduled for less than two hours.
- d. The contractor shall be paid for the time allotted for the interpreter's lunch break, or other extended official dismissal.
  - 1) In the event the contractor provided two or more interpreters as required for an assignment, each interpreter shall be paid for the time allotted for the interpreter's lunch break, or other extended official dismissal.
- e. In the event of a dispute regarding invoicing occurs, the state agency shall determine the appropriate invoicing amount (hours to be invoiced). The contractor shall agree and understand that the state agency's determination shall be final and without recourse.

1.7.4 In the event fewer hours of service are provided than originally requested by the state agency, the contractor shall be paid as follows:

- a. If eight hours or less service are requested and provided, the contractor shall be paid for the amount of service requested. However if less than two hours of services are requested and provided, the contractor shall be paid for two hours of service.
- b. If more than eight hours of service are requested but eight hours or less are provided, the contractor shall be paid for eight hours.
- c. If more than eight hours of service are provided, the contractor shall be paid for the actual number of hours of service provided.

1.7.5 Other Services – If other services were provided, the contractor shall invoice for and shall be paid for such services in accordance with the price specified in the pricing schedule of the contract.

1.7.6 In the event the state agency requests interviews prior to selecting an interpreter, the state agency shall pay the contractor for the actual time of the interview(s) for each person and, if present, the contractor's management.

The contractor's management and the person shall be paid for the actual time of the interviews in accordance with the firm, fixed price per hour stated on the Pricing Page for Intermediate interpreting.

1.7.7 In the event the contractor provided interpreter services outside the contractor's awarded county(ies), the contractor shall be reimbursed as follows:

- a. Travel and Related Expenses - The contractor shall invoice and be reimbursed for actual and reasonable travel and travel related expenses pursuant to the Office of Administration Travel Regulations and Contiguous US Per Diem Rates (CONUS).
  - 1) The contractor must have the prior written approval of the state agency for any such expenses. In addition, the contractor must have the prior approval of the state agency for any travel related expenses which may exceed the CONUS rates.
  - 2) The Office of Administration Travel Regulations can be found on the Internet at the following address: <http://oa.mo.gov/acct/10-11.010.pdf>. The actual mileage rate changes regularly. For current rate see: <http://www.oa.mo.gov/acct/>.
  - 3) The Contiguous US Per Diem Rates (CONUS) can be found by clicking on the link for "Per Diem Rates" at the following Internet address: <http://www.gsa.gov>

1.7.8 Each state agency shall only be responsible for the payment for services provided to that state agency.

1.7.9 Other than the payments or reimbursements specified above, no other payments or reimbursements shall be made to the contractor for any reason whatsoever including, but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

1.7.10 Notwithstanding any other payment provision of the contract, if the contractor fails to perform required work or services, fails to submit reports when due, or is indebted to the United States, the state agency may withhold payment or reject invoices under the contract.

1.7.11 Final invoices are due by no later than thirty (30) calendar days of the expiration of the contract. The state agency shall have no obligation to pay any invoice submitted after the due date.

1.7.12 If a request by the contractor for payment or reimbursement is denied, the state agency shall provide the contractor with written notice of the reason(s) for denial.

1.7.13 If the contractor is overpaid by the state agency, upon official notification by the state agency, the contractor shall provide the state agency (1) with a check payable as instructed by the state agency in the amount of such overpayment at the address specified by the state agency or (2) deduct the overpayment from the monthly invoices as requested by the state agency.

## **1.8 Other Contractual Requirements:**

1.8.1 Contract - A binding contract shall consist of: (1) the RFP, amendments thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) the Division of Purchasing and Materials Management's acceptance of the proposal by "notice of award". All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.

- a. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
- c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the

contractor and the Division of Purchasing and Materials Management prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

- 1.8.2 Contract Period - The original contract period shall be as stated on page 1 of the Request for Proposal (RFP). The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original contract period. The Division of Purchasing and Materials Management shall have the right, at its sole option, to renew the contract for three (3) additional one-year periods, or any portion thereof. In the event the Division of Purchasing and Materials Management exercises such right, all terms and conditions, requirements and specifications of the contract shall remain the same and apply during the renewal period, pursuant to applicable option clauses of this document.
- 1.8.3 Renewal Periods - If the option for renewal is exercised by the Division of Purchasing and Materials Management, the contractor shall agree that the prices for the renewal period shall not exceed the maximum price for the applicable renewal period stated on the Pricing Page of the contract.
- a. If renewal prices are not provided, then prices during renewal periods shall be the same as during the original contract period.
  - b. In addition, the contractor shall understand and agree that renewal period price increases specified in the contract are not automatic. At the time of contract renewal, if the state determines funding does not permit the specified renewal pricing increase or even a portion thereof, the renewal pricing shall remain the same as during the previous contract period. If such action is rejected by the contractor, the contract may be terminated, and a new procurement process may be conducted. The contractor shall also understand and agree the state may determine funding limitations necessitate a decrease in the contractor's pricing for the renewal period(s). If such action is necessary and the contractor rejects the decrease, the contract may be terminated, and a new procurement process may be conducted.
- 1.8.4 Termination - The Division of Purchasing and Materials Management reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the State of Missouri pursuant to the contract prior to the effective date of termination.
- 1.8.5 Contractor Liability - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.
- a. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.
  - b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.
  - c. Under no circumstances shall the contractor be liable for any of the following: (1) third party claims against the state for losses or damages (other than those listed above); (2) loss of, or damage to, the state's records or data; or (3) economic consequential damages (including lost profits or savings) or incidental damages, even if the contractor is informed of their possibility.
- 1.8.6 Insurance - The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must have and maintain adequate liability insurance in the form(s) and

amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. The insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured. In the event any insurance coverage is canceled, the state agency must be notified immediately.
