BID EVALUATION MEMORANDUM

Date: October 2, 2019

Bid Number: FMDC20-0001

Bid Title: CCTV Maintenance and Repair Services – DYS Eastern Locations

Date Closed: 09/30/2019

Contract's Unit Manager: Rebecca Brinkley

Pursuant to IFB FMDC20-0001 for CCTV Maintenance and Repair Services – DYS Eastern Locations, an award shall be made to the lowest priced responsive bidder. Other factors that affect the determination of the lowest price responsive bidder include consideration of the Blind/Sheltered Workshop Preference and Missouri Service-Disabled Veteran Business Enterprise Preference.

One bid was received in response to IFB FMDC20-0001. The one bidder was C & C Group of Earth City, Missouri.

No Late Bids were received in response to IFB FMDC20-0001.

All bids received in response to IFB FMDC20-0001 were reviewed for compliance with the evaluation criteria and preferences in the IFB. The results of that review are as follows:

The bidder did not receive preference points for Missouri Service Disabled Veteran Business Preference, or for Organizations for the Blind and Sheltered Workshop Preference.

A cost evaluation was performed in accordance with Paragraph 4.6.2 of the IFB. Since C & C Group was the only bidder, the cost results were forwarded to the OA/DSS-DYS Facility Operations Manager, Paul Loftin.

The bid from C & C Group has been determined to be responsive to the mandatory requirements of the IFB, and is the lowest responsible and reliable bidder. C & C Group does have current contracts with the State of Missouri with no issues or concerns. The results of the cost evaluation approved for an award by Paul Loftin. Therefore, I am proceeding with the award as approved.
