- 1.6 Master Agreement** means the underlying agreement executed by and between the Lead State, acting in cooperation with NASPO ValuePoint, and the Contractor, as now or hereafter amended.
- 1.7 NASPO ValuePoint** is a division of the National Association of State Procurement Officials ("NASPO"), a 501(c)(3) limited liability company. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.

## II. Term of Master Agreement

- 2.1 Initial Term.** The initial term of this Master Agreement is for five (5) years.
- 2.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions. The pricing applicable to any such extension shall be adjusted by the Contractor using the price adjustment process as set out herein.

### III. Order of Precedence

- 3.1 Order.** Any Order placed under this Master Agreement will consist of the following documents:
- 3.1.1** A Participating Entity's Participating Addendum ("PA");
  - 3.1.2** NASPO ValuePoint Master Agreement, including all attachments thereto;
  - 3.1.3** A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
  - 3.1.4** Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
  - 3.1.5** The terms and conditions of the Contractor's Service Guide at the time of shipment.
- 3.2 Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement shall apply to the extent they are not in conflict with the terms contained herein or in an individual PA. Such Contractor terms and conditions must be in writing and attached to this Master Agreement as an Exhibit or Attachment or incorporated by reference.
- 3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

### IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be

addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order. Any additional services not provided for herein: (1) utilized by a Purchasing or Participating Entity, and (2) whether provided by the Contractor or a Contractor subsidiary or affiliate, shall be provided by Contractor at list rates and pursuant to Contractor's Service Guide terms and conditions unless otherwise agreed upon by the parties. It is understood and agreed upon by the parties that such additional services may be provided pursuant to the terms of a separate agreement and not bound by the terms of this Master Agreement or a state PA.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to [pa@naspovaluepoint.org](mailto:pa@naspovaluepoint.org) to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities

and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

## **V. NASPO ValuePoint Provisions**

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 5.2 Administrative Fees**
- 5.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.
- 5.2.2 State Imposed Fees.** Some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or

amount, payment method and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee. In the event that any state's outstanding invoices are more than ten percent (10%) past due, Contractor shall have the right to withhold payment of any Administrative Fee to such state until such time as all outstanding or delinquent invoices have been paid.

### **5.3 NASPO ValuePoint Summary and Detailed Usage Reports**

**5.3.1 Summary Sales Data.** The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://calculator.naspovaluepoint.org>. All sales made under this Master Agreement must be reported as cumulative totals by state. Contractor must submit a report for each quarter, including quarters during which a Contractor has no sales, in which case this will be indicated in the Reporting Tool. Reports must be submitted no later than thirty (30) days following the end of the calendar quarter (as specified in the reporting tool).

**5.3.2 Detailed Sales Data.** As mutually agreed upon by the parties Contractor shall also report detailed sales data by: (1) state; (2) Purchasing Entity name; (3) total dollars domestic; (4) total dollars international; (5) total dollars ground; (6) total dollars home delivery; (7) total quarter dollars; (8) rebate amount; (9) total packages domestic; (10) total packages international; (11) total packages ground; (12) total packages home delivery; (13) total quarter packages.

Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports must be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports must include sales information for all sales under Participating Addenda executed under this Master Agreement.

**5.3.3 Personal Use Prohibited.** It is understood and agreed upon by the parties that the services and rates provided by Contractor herein

shall not be available for personal use by employees of any entity participating under this agreement.

**5.3.4 Executive Summary.** Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.

**5.3.5 Use of Data.** Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports will have exclusive ownership of the media containing the reports, however, Contractor shall retain all intellectual property rights in the proprietary formats in which the reports are presented. The Lead State and NASPO ValuePoint shall have the right to display, modify, copy, and otherwise use reports, data and information provided under this section as mutually agreed upon by the parties.

#### **5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review**

**5.4.1 Staff Education.** Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

**5.4.2 Onboarding Plan.** Upon request by NASPO ValuePoint and mutually agreed upon by the parties, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

**5.4.3 Annual Contract Performance Review.** Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials,

Contractor reporting, and timeliness of payment of administration fees.

**5.4.4 Use of NASPO ValuePoint Logo.** Neither party's marks and/or logos may be used by a party in sales and marketing unless and until a separate logo use agreement is executed between the parties.

**5.4.5 Removed**

**5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws. Notwithstanding the above, Contractor shall have the right to terminate the Master Agreement for its convenience upon 60 calendar days written notice.

## **VI. Pricing, Payment & Leasing**

**6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.

**6.1.1** All prices and rates must be guaranteed for the initial term of the Master Agreement.

**6.1.2** Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal guarantee period and must be made at least 60 days prior to the effective date.

**6.1.3** Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.

**6.1.4** No retroactive adjustments to prices or rates will be allowed.

**6.1.5** Any services provided by Contractor and not addressed herein shall be charged at list rates unless otherwise agreed upon by the parties.

**6.1.6** In the event a new Participating Addendum has not been executed by September 17, 2021, all services provided for herein by Contractor shall be charged at list rates from the Effective Date of

this new Agreement. For Participating Addenda executed after September 17, 2021, all applicable discounts shall become effective no earlier than 75 days from the Effective Date of such Participating Addendum.

Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

**6.3 Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

## **VII. Ordering**

**7.1 Order Numbers.** Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence, to the extent such information has been provided to Contractor on the necessary shipping documents.

**7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

**7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies,

and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

**7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.

**7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.

**7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

### **8.2 Removed.**

**8.3 Inside Deliveries.** To the extent applicable and in conformity with the terms of the Contractor's Service Guide, all deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions as agreed upon by the parties will be noted on the order form or Purchase Order. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

Entities to any agreements, settlements, liability or understanding whatsoever, and shall not to hold itself out as agent except as expressly set forth herein or as expressly set forth in an applicable Participating Addendum or Order.

- 14.6 Cancellation.** Unless otherwise set forth herein, this Master Agreement may be canceled by either party upon sixty (60) days' written notice prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon thirty (30) days' written notice, unless otherwise limited or stated in the Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision will not affect the rights and obligations attending Orders outstanding at the time of cancellation, including any right of a Purchasing Entity to indemnification by the Contractor, rights of payment for Products delivered and accepted, rights attending any warranty or default in performance in association with any Order, and requirements for records administration and audit. Cancellation of the Master Agreement due to Contractor default may be immediate.
- 14.7 Force Majeure.** Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, pandemic, unusually severe weather, other acts of God, or acts of war which are beyond that party's reasonable control. - 14.8.2** Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of fifteen (15) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure will not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.
- 14.8.3** If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

**14.10 Debarment.** The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. **14.11.2** This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

#### **14.12 Governing Law and Venue**

**14.12.1** The procurement, evaluation, and award of the Master Agreement will be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award will be governed by the law of the state serving as Lead State. The construction and effect of any Participating Addendum or Order against the Master Agreement

will be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's state.

**14.12.2** Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the state serving as Lead State. ### TIPS TO PACK LIKE A PRO

FedEx Express and FedEx Ground shipments	FedEx Freight shipments
<p>New packaging or like-new packaging is recommended. If you're reusing packaging, make sure there are no holes, tears, dents or creases. All previous shipping labels and barcodes must be covered or concealed</p> <p>Place 3 inches of cushioning — air cellular cushioning, corrugated fiberboard, foam pads or molded plastic — on the bottom, top and sides. Put a copy of the label inside the package</p> <p>Apply at least three strips of packing tape (no duct or masking tape) 2 inches or wider evenly across all flaps and seams, top and bottom</p> <p>Secure your label or pouch on the package's largest surface, away from folds or seams. If you're using a pouch, be sure to reseal it after inserting the shipping label</p>	<p>Skids may be palletized or non-palletized, weigh up to 20,000 lbs., and measure up to 21 feet in length</p> <p>Use proper cushioning, blocking, bracing, banding, stretchwrapping, and standard wood or plastic pallets</p> <p>Use descriptive labels (see <a href="#">p. 16</a> for details on our label library). Complete the Bill of Lading with an accurate piece count and description</p> <p>Go to <a href="https://fedex.com/packagingfreight">fedex.com/packagingfreight</a> and select Freight Packaging Tips for more information on how to pack items such as bags, cartons, crates, drums, engines and pipes</p>

### Standard list rates

The standard list rates in this FedEx Service Guide, which are effective January 4, 2021, supersede the standard list rates shown in the January 6, 2020, FedEx Service Guide.

### Surcharge and fee changes

There are changes to FedEx Express and FedEx Ground surcharges and fees. Go to [fedex.com/us/shipping-rates](https://fedex.com/us/shipping-rates) or refer to **pp. 119–133** for more information on the changes, which are effective January 4, 2021, unless otherwise noted in this guide.

## How to calculate your rate

FedEx SameDay and FedEx® International Next Flight have special rate instructions; see pp. 62–66 and 103–106. For information on FedEx One Rate® pricing, see p. 67. You can also view rates online, plus get FedEx® Retail Rates; go to [fedex.com/ratefinder](https://fedex.com/ratefinder) and select the Rate Tools tab.

### Package services

- 1. Find the zone for your destination.** For U.S. shipments, go to [fedex.com/ratefinder](https://fedex.com/ratefinder) and select the Rate Tools tab, then enter your origin ZIP code to see which zone your destination ZIP code corresponds to. Or request zone location information by calling 1.800.463.3339.

Zone tables for U.S. export and U.S. import shipments are on pp. 25–27 (see p. 29 for U.S.-to-Canada zones).
- 2. Determine the chargeable weight.** Determine the weight of the package (for FedEx Express® international shipments, determine the weight of the total shipment). Round up to the next-higher pound. Then see Dimensional Weight on p. 125. Your chargeable weight is the greater of the actual weight or the dimensional weight.

A minimum billable weight may apply for shipments in FedEx Express packaging. See p. 130.
- 3. Find your rate.<sup>2</sup>** Turn to the appropriate rate table on pp. 30–58 (FedEx Express U.S. shipments), pp. 69–102 (FedEx Express international shipments) or pp. 110–116 (FedEx Ground® and FedEx Home Delivery® shipments). Next, choose a FedEx® service. Then find your chargeable weight from step 2 above to determine your rate.

A \$4.35 residential surcharge per package will be added to FedEx Home Delivery shipments.

For FedEx Express multiple-piece shipments, multiweight pricing may apply. See pp. 60–61 (U.S. shipments), p. 86 (Puerto Rico shipments), or pp. 86 and 102 (international shipments) for details.
- 4. Determine fees.** See pp. 117–133 for fees and other nontransportation charges that may apply. For FedEx Express U.S. import shipments, call 1.800.463.3339 and say “international services” for service fees applicable from your origin country or territory.

### Express freight services<sup>1</sup>

- 1. Find the zone for your destination.** For U.S. shipments, go to [fedex.com/ratefinder](https://fedex.com/ratefinder) and select the Rate Tools tab, then enter your origin ZIP code to see which zone your destination ZIP code corresponds to. Or request zone location information by calling FedEx Express Freight Customer Service at 1.800.332.0807.

Zone tables for U.S. export and U.S. import shipments are on p. 28 (see p. 29 for U.S.-to-Canada zones).
- 2. Determine the chargeable weight.** For U.S. shipments, first determine the actual weight of each freight handling unit. Round up to the next-higher pound. Second, calculate the dimensional weight of each freight handling unit. See Dimensional Weight on p. 125. Third, determine the chargeable weight for each freight handling unit: Your chargeable weight is the greater of the actual weight or the dimensional weight. Each freight handling unit is subject to a minimum billable weight of 151 lbs. regardless of its actual weight.

For FedEx International Priority® Freight and FedEx International Economy® Freight shipments, first determine the combined actual weight for all freight handling units. Round up to the next-higher pound. Second, calculate the dimensional weight for the entire shipment. See Dimensional Weight on p. 125. Third, determine the chargeable weight for the entire shipment: Your chargeable weight is the greater of the actual weight or the dimensional weight. The total shipment is subject to a minimum billable weight of 151 lbs. multiplied by the number of freight handling units.

For all express freight shipments, individual freight handling units typically weigh 151 lbs. or more. Freight handling units exceeding 2,200 lbs. require prior approval.
- 3. Find your rate.** Turn to the appropriate rate table on p. 68 (U.S. shipments) or pp. 107–109 (international shipments). Next, choose a FedEx service. For international shipments, determine your service option (door-to-door, dropoff, hold-at-location, or dropoff and hold-at-location). Then find your chargeable weight from step 2 above and multiply it by the per-pound rate.
- 4. Determine fees.** See pp. 117–133 for fees and other nontransportation charges that may apply. For FedEx Express® Freight U.S. import shipments, call 1.800.332.0807 for service fees applicable from your origin country or territory.

<sup>1</sup>Excludes FedEx International Premium®. See p. 109.

<sup>2</sup>If a federal value-added, consumption or similar tax is applicable to your shipment, we reserve the right to add that amount to your shipping charges without notice. We pay any applicable federal excise tax on the air transportation portion of our service.

# International express freight zones: U.S. export and U.S. import

See p. 29 for Canada zones.

## Determine international express freight rates

1. Find the zone for your destination or origin in the table at right. For FedEx International Priority Freight and FedEx International Economy Freight shipments to Canada, refer to the postal code table on p. 29.
2. Determine your total shipment weight (round up to the next-higher pound) and service option (door-to-door, dropoff, hold-at-location, or dropoff and hold-at-location).
3. Choose the service you wish to use.
4. For U.S. export shipments, go to p. 107 and multiply the per-pound rate by total shipment weight. U.S. import rates are on p. 108.
