Data privacy

FedEx will comply with all applicable data privacy laws, regulations and rules in relation to the processing of personal data. FedEx may, at its sole discretion, process personal data for the performance of the services and for those business purposes set forth in the FedEx Privacy Notice at [fedex.com](https://www.fedex.com). FedEx does not sell any personal information to another business or third party.

In relation to any personal data provided by you concerning yourself, your employees or agents, a recipient, or any third party in connection with a shipment or otherwise, you represent that you have complied with applicable data privacy laws, including obtaining the necessary legal basis for the provision of such data to FedEx and the processing by FedEx of this data as described in the FedEx Service Guide and providing the relevant individual with all information in connection with the collection, transfer and processing of such data including the information contained in the FedEx Privacy Notice at [fedex.com](https://www.fedex.com). FedEx will not be liable for costs, claims, damages and expenses suffered or incurred by FedEx in connection with the shipper's failure to comply with the Data Privacy section in these terms and conditions. You agree to indemnify FedEx in respect of all costs, claims, damages and expenses suffered or incurred by FedEx in connection with your failure to comply with this section.

Declared value and limits of liability (not insurance coverage)

- A. If FedEx is liable for loss, damage, delay or misdelivery arising from or related to loss or damage to shipments in accordance with the provisions of this tariff, FedEx liability is limited to the sum of \$100 per shipment unless a higher value is declared at time of tender and a greater charge paid as provided in the FedEx Service Guide.
- B. The declared value of any shipment represents our maximum liability in connection with a shipment, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information or misdelivery of information. Exposure to and risk of any loss in excess of the declared value is either assumed by the owner or transferred by the owner to an insurance carrier through the purchase of an insurance policy. The shipper should contact an insurance agent or broker if insurance coverage is desired. FEDEX DOES NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.
- C. In cases where the shipper declares or agrees in writing that the property being shipped is released to a value exceeding \$100 per shipment or article not enclosed in a shipment, an additional charge for each \$100 or fraction thereof of total valuation will be assessed to which the base rate applies, up to a maximum declared value of \$2,000 per shipment.
- D. The foregoing notwithstanding, shipments containing all or part of the following items are limited to a maximum declared value of \$1,000:
 1. Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
 2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
 3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.
 4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware and glassware.
 5. Collector's items such as coins, stamps, sports cards, souvenirs and memorabilia.
 6. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass and any other commodity with similarly fragile qualities.
 7. Plasma screens or any device which includes a plasma screen.
 8. Jewelry, including, but not limited to, costume jewelry, watches and their parts, mount gems or stones (precious or semiprecious), industrial diamonds, and jewelry made of precious metal.
 9. Furs, including, but not limited to, fur clothing, fur-trimmed clothing and fur pelts.
 10. Precious metals, including, but not limited to, gold and silver bullion or dust, precipitates or platinum (except as an integral part of electronic machinery).
 11. Stocks, bonds, cash letters or cash equivalents, including, but not limited to, food stamps, postage stamps (not collectible), traveler's checks, lottery tickets, money orders, gift cards and gift certificates, prepaid calling cards (excluding those that require a code for activation), bond coupons, and bearer bonds.
 12. Musical instruments that are more than 20 years old, or any customized or personalized musical instruments.

13. Scale models (including, but not limited to, architectural models and dollhouses) and prototypes.

- E. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THIS TARIFF IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY SHIPMENT BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH SHIPMENT.
- F. REGARDLESS OF THE DECLARED VALUE OF A SHIPMENT, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED ITS REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.
- G. See the Liabilities Not Assumed section for other limitations and exclusions on our liability.
- H. With respect to any device or media upon or within which data or other information (whether in print or electronic form) is maintained, the value of such device or media is limited to the cost to repair or replace such device or media without consideration for the data or other information contained therein or set forth thereon. By tendering any such device or media, the party making such tender acknowledges and agrees that back-up copies of any and all data or information contained therein or set forth thereon are being maintained and can be readily reproduced.

Delivery Signature Options

FedEx offers three Delivery Signature Options for shippers:

- A. **Indirect Signature Required.** FedEx will obtain a signature in one of two ways:
 1. From someone at the delivery address; or
 2. From a neighbor, building manager or other person at a neighboring address.
- B. **Direct Signature Required.** FedEx will obtain a signature from someone at the delivery address. If no one is at the address, FedEx will reattempt delivery the following business day unless marked return to sender.
- C. **Adult Signature Required.** FedEx will obtain a signature from someone at least 21 years old (government-issued photo identification required) at the delivery address. If no eligible recipient is at the address, FedEx will reattempt delivery the following business day unless marked return to sender.
- D. Shipments to residential addresses may be released without obtaining a signature. If you require a signature for a residential shipment, select one of the Delivery Signature Options.
- E. Indirect Signature Required is not available for shipments to nonresidential addresses.
- F. FedEx may accept requests for address corrections from a shipper or a recipient for shipments involving the Direct Signature Required or Indirect Signature Required options, and shipments where no signature is required.
- G. FedEx will assess the delivery signature charge if the shipper requests the Delivery Signature Option, even if a signature is not obtained, the option requested is not available or FedEx is unable to provide a copy of the signature obtained at delivery.
- H. Also see the Billing, Money-Back Guarantee, Liabilities Not Assumed, Pickup and Delivery, and Proof of Delivery sections.

Evening delivery only fee

An additional evening delivery only fee will be assessed for delivery between 5:00 p.m.–8:00 p.m. when a customer selects this option in connection with residential delivery for FedEx SameDay City Economy.

Fuel and other surcharges

FedEx reserves the right to assess fuel and other surcharges on shipments without notice. The amount and duration of any such surcharges will be determined at our sole discretion. By tendering your shipment to FedEx, the shipper agrees to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, will follow the FedEx Ground fuel surcharge table and is available at [fedex.com](https://www.fedex.com).

Hazardous materials

- A. Hazardous materials, except as specified in this section, are prohibited. Please see the Prohibited Items section.
- B. FedEx accepts only certain hazardous materials. Contact a FedEx account executive, see [fedex.com/hazardousmaterials](https://www.fedex.com/hazardousmaterials) or call 1.800.463.3339 and say "hazardous materials" for more information. Specifically, FedEx accepts only dry ice and Category B (UN 3373) hazardous materials for shipment.
- C. Permissible shipments must be properly classified, described, packaged, marked,

FedEx SameDay City Tariff

(Hazardous materials, cont.)

labeled and in proper condition for transportation according to applicable laws, rules and regulations and FedEx SameDay City requirements.

D. In no event will any waste material (including any hazardous waste or any material intended to be recycled), any material regulated as an inhalation hazard, or any material defined as a "hazardous substance" be tendered to FedEx for transportation. This includes, but is not limited to, used hypodermic needles or syringes transported for sterilization, recycling, disposal or for any other purpose, or other medical waste.

E. With the exception of Category B (UN 3373) shipments, FedEx does not accept, and you agree not to tender, any infectious human or animal cells, tissue, bodily fluids, blood, blood products, plasma, or any other material derived from human or animal blood whether in liquid or solid form; biohazards; regulated or non-regulated diagnostic cultures, specimens or samples, whether infectious or non-infectious; used health care products as defined in Title 49 of the Code of Federal Regulations; and any materials regulated as UN 2814, UN 2900, and UN 3291.

F. Shippers who tender Biological Substance, Category B (UN 3373) shipments must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments of blood and blood products, human and animal specimens, and pathogens or infectious materials. The shipper assumes sole responsibility for compliance with all applicable governmental regulations. For more information on FedEx guidelines, go to fedex.com/packaging and read our brochures on packaging clinical samples and Biological Substance, Category B (UN 3373) specimens.

G. Shipments containing hazardous materials cannot be banded, strapped or taped to form a bundle.

H. All shipments containing dry ice require shipment marking and labeling. For additional information on proper packing or labeling call 1.800.463.3339 and say "hazardous materials."

I. Batteries, including lithium batteries, may be regulated when shipped for highway transport. Shippers should refer to the most current U.S. Department of Transportation regulations to ensure compliance with marking, labeling and packaging requirements as they pertain to the transportation of batteries. For details, go to fedex.com and enter keyword "lithium batteries." FedEx does not accept waste batteries or batteries being shipped for recycling or disposal, including damaged or defective batteries.

J. We have the right to refuse any shipment with an odor or any shipment that is wet or leaking. If a shipment damages or contaminates any property, the shipper is solely responsible for and will reimburse and indemnify FedEx for any and all costs, fees and expenses it incurs in connection with the cleanup of such damage or contamination.

K. Hazardous material shipments found in the FedEx SameDay City system not properly prepared in accordance with DOT regulations and FedEx SameDay City requirements will be returned to the originating pickup location. If the shipper refuses return of the shipment, the shipper will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's failure to comply with FedEx hazardous materials shipping requirements.

L. Hazardous materials may not be rerouted to an address other than the original intended-recipient's address provided by the shipper, unless dry ice is the only type of hazardous materials contained in the shipment.

M. Shipments containing hazardous materials are not eligible for signature release, driver release or indirect delivery.

Inspection of shipments and identification requirement

FedEx reserves the right, but is not required, to open and inspect any shipment tendered to it for transport. We may, at our sole discretion, require the shipper to provide their government-issued photo identification prior to tendering a package to FedEx.

Liabilities not assumed

FEDEX WILL NOT BE LIABLE FOR ANY DAMAGES IN EXCESS OF THE LESSER OF THE ACTUAL COST TO REPAIR OR REPLACE THE GOODS IN QUESTION OR THE DECLARED VALUE OF A SHIPMENT, IF ANY, WHETHER OR NOT FEDEX KNEW OR SHOULD HAVE KNOWN THAT SUCH DAMAGES MIGHT BE INCURRED.

IN NO EVENT SHALL FEDEX, INCLUDING, WITHOUT LIMITATION, AGENTS, CONTRACTORS, EMPLOYEES AND AFFILIATES, BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS OR INCOME, BUSINESS INTERRUPTION, OR CLAIMS INVOLVING ACTUAL OR ALLEGED THEFT OR MISAPPROPRIATION OF IDENTITY, WHETHER OR NOT FEDEX HAD KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED.

THE SOLE LIABILITY OF FEDEX, AND THE SOLE RECOVERY OF ANY CLAIM,

WITH RESPECT TO ANY LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION OR ANY FAILURE TO PROVIDE INFORMATION, SHALL BE AS SET FORTH IN, AND PURSUANT TO, THIS TARIFF. Without in any way limiting the foregoing, FedEx will not be liable for, nor shall any adjustment, refund or credit of any kind be given as a result of, any loss, damage, delay, misdelivery, nondelivery, misinformation or failure to provide information caused by or resulting in whole or in part from:

1. The act, default or omission of any person or entity, other than FedEx, including those of any local, state or federal government agencies.
2. The nature of the shipment, including any defect, characteristic or inherent vice of the shipment.
3. The shipper's violation of, or failure to comply with, any of the terms and conditions contained in this tariff, as amended from time to time, including, but not limited to, the improper and insufficient packing, securing, marking and labeling of shipments, use of an account number not in good credit standing, or failure to provide complete and accurate information, including, but not limited to, descriptions of cargo, addresses, etc.
4. Public enemies, criminal acts of any person(s) or entities, including, but not limited to, acts of terrorism, public authorities acting with actual or apparent authority, authority of law, local disputes, civil commotions, hazards incident to a state of war, weather conditions (as determined solely by FedEx), disruptions in FedEx SameDay City transportation networks (as determined solely by FedEx), strikes or anticipated strikes (of any entity, including, but not limited to, other carriers, vendors or suppliers), labor disruptions or shortages caused by pandemic conditions or other public health event or circumstances, natural disasters (earthquakes, floods and hurricanes are examples of natural disasters), conditions that present a danger to FedEx personnel, and disruption or failure of communication and information systems (including, but not limited to, FedEx systems).
5. Damage or loss of articles packaged and sealed by the sender or by person(s) acting at the sender's direction, provided the seal is unbroken at the time of delivery, the shipment retains its basic integrity, and the recipient accepts the shipment without noting the damage on the delivery record.
6. Erasure of information or data, or loss or irretrievability of information or data, including but not limited to information or data stored on magnetic tapes, files or other storage media, or erasure or damage of photographic images or soundtracks.
7. The loss of any personal or financial information including, but not limited to, social security numbers, dates of birth, driver's license numbers, credit card numbers and financial account information.
8. Our inability to provide a copy of the delivery record or a copy of the signature obtained at delivery.
9. Failing to deliver or to meet our delivery commitment for any shipments with an incomplete or incorrect address. (See the Undeliverable Shipments section.)
10. Failing to deliver or not attempting to deliver a shipment on the scheduled delivery day or time, if the shipper or recipient requested a later delivery or informed FedEx that the recipient location is closed or unavailable to accept delivery on the originally scheduled delivery day or time.
11. Failing to obtain the signature option requested for shipments using FedEx Delivery Signature Options. (See the Delivery Signature Options section.)
12. Shipments released without obtaining a signature at residential addresses. (See the Delivery Signature Options and Pickup and Delivery sections.)
13. Shipments released without obtaining a signature at nonresidential addresses when release has been authorized by the shipper or recipient. (See the Delivery Signature Options section.)
14. Our failure to honor package-orientation graphics (e.g., "up" arrows, "this end up" markings), "fragile" labels or other special directions concerning packages.
15. Damages indicated by any shockwatch, tiltmeter or temperature instruments.
16. Your failure to ship goods in packaging approved by us prior to shipment where such prior approval is recommended or required.
17. Your use of an incomplete, inaccurate, or invalid FedEx account number or your failure to provide a valid FedEx account number in good credit standing in the billing instructions on shipping documentation.
18. Our failure to notify you of any delay, loss or damage in connection with your shipment or any inaccuracy in such notice.
19. Any shipment where FedEx package scan records do not reflect acceptance of the package by FedEx.
20. Any shipments not actually tendered to and accepted by FedEx. Where service

FedEx SameDay City Tariff

(Liabilities not assumed, cont.)

- is requested, and the shipper fails to cancel the service in accordance with this section, a cancellation fee may be imposed.
21. The shipper's failure to delete all shipments entered into a FedEx self-invoicing system, internet shipping device or any other electronic shipping method used to ship a package, when the shipment is not tendered to FedEx. If you fail to do so and seek a refund, credit or invoice adjustment, you must comply with the notice provisions in Invoice Adjustments/Overcharges in the Billing section. FedEx is not liable for any refund, credit or adjustment unless you comply with those notice provisions.
 22. Shipments of any plants and plant materials, ostrich or emu eggs, or live fish.
 23. Damage to computers, or any components thereof, or any electronic equipment when shipped in any packaging other than:
 - a. The manufacturer's original packaging, which is undamaged and has retained a good, rigid condition.
 - b. Packaging that is in accordance with the FedEx packaging guidelines available online at fedex.com/packaging.
 - c. FedEx laptop packaging, for shipments of laptop computers.
 - d. FedEx small electronic device packaging, for shipments of cell phones, handheld computers, MP3 players and similar items.
 - e. FedEx tablet packaging, for shipments of tablet computers.
 24. Packaging of a shipment, including failure to comply with the provisions of this tariff regarding packaging, or our provision of packaging, advice, assistance or guidance on the appropriate packaging of shipments unless such advice, assistance or guidance has been approved in writing by FedEx Packaging Design and Development and the writing expressly accepts liability in the event of a damaged shipment. FedEx reserves the right to request a shipper to submit a representative sampling of the packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test the packaging, or the sampling fails FedEx testing, FedEx will not be liable for any damages due to improper packaging. FedEx may issue written notice to you if you repeatedly fail to adhere to FedEx packaging requirements due to your pattern or practice of insufficient packaging. Claims for damage or loss associated with an identified pattern or practice of insufficient packaging will be denied. Any such claim filed related to your shipments will not be paid, regardless of which party files the claim, unless the claimant can establish that the loss or damage did not result from a failure to use proper packaging. FedEx will continue to deny such claims until we determine that you have ceased the pattern or practice of failing to adhere to the packaging requirements. Nothing in this paragraph is intended to limit FedEx's right to deny a claim where the shipment in dispute is found to have improper packaging. At the sole discretion of FedEx, FedEx may require a shipper of packages classified as Oversize, as defined in the Rates section of the FedEx Service Guide, to submit a representative sampling of the oversize packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test oversize packaging or the sampling fails FedEx testing, FedEx will not be liable for any damage to shipper's oversize packages.
 25. FedEx does not provide protective services for transportation of perishable commodities or of commodities requiring protection from heat or cold. Such commodities will be accepted for transportation solely at the shipper's risk for loss of value or damage occasioned by exposure to heat or cold, or the inherent vice of such perishable commodities. Shipments containing perishable articles must be packaged for a minimum transit time of at least 12 hours greater than the shipment's delivery commitment time.
 26. The failure to provide any services or service options where our records do not reflect that the services or service options were selected by the shipper.
 27. Our compliance or noncompliance with verbal or written delivery instructions from the sender, recipient or persons claiming to represent the shipper or recipient, including requests made by the recipient for delivery options using FedEx Delivery Manager.
 28. Our compliance or noncompliance with any request to intercept a shipment in transit, or to prevent delivery.
 29. The failure to properly designate a delivery address as a Residential Delivery or Commercial Delivery, including delivery addresses that were processed through any address verification function or program.
 30. The shipper's failure to provide accurate delivery address information.
 31. Any shipment containing a prohibited item. (See the Prohibited Items section.)
 32. Our inability or failure to complete a delivery, or a delay to any delivery, due to acts or omissions of regulatory agencies.

33. Delays in delivery caused by adherence to FedEx policies regarding the payment of duties and taxes or other charges.
34. Our failure or inability to attempt to contact the sender or recipient concerning an incomplete or inaccurate address; incorrect, incomplete, inaccurate or missing documentation; payment of duties and taxes necessary to release a shipment; or an incomplete or incorrect customs broker's address.
35. Hazardous-materials shipments that the shipper did not properly declare, including proper documentation, markings, labels and packaging. FedEx will not pay a claim on undeclared or hidden hazardous materials and the FedEx Money-Back Guarantee does not apply.
36. Your use of FedEx customer automation systems or software versions that are no longer supported by FedEx, or your failure to update or upgrade FedEx customer automation hardware or software as provided or directed by FedEx from time to time.

Limitations on legal actions and governing law

Any civil claim for overcharges (including, but not limited to, duplicate payments and unidentified payments) must be brought within 18 months after the claim accrues. Any legal proceeding arising from or related to any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment, must be brought within two years and one day from the date FedEx gives written notice that FedEx has disallowed any part of the claim specified in the notice.

Any right you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against FedEx under any cause of action arising from the transportation of any shipment pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in this tariff including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and FedEx understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against FedEx. You and FedEx agree that FedEx cannot be considered to have breached any obligation to you unless or until FedEx wrongfully denies a claim submitted to FedEx pursuant to the notice periods and requirements contained in this tariff. Finally, you and FedEx agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from FedEx or if you lack knowledge regarding whether such compliance will result in relief from FedEx.

You agree that you will not sue FedEx as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against FedEx. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to FedEx. To the extent there is a conflict between the provisions of this tariff and any rights or remedies contained in Part B of Subtitle IV to Title 49 of the U.S. Code, the provisions of this tariff shall govern.

The performance of any services does not make FedEx an agent of the shipper or any third party for any purpose.

Money-back guarantee policy

Subject to the provisions of this tariff limiting shipper's right thereto, we offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. At our option, we will, upon request, either refund or credit your transportation charges in the event of a service failure (which means delivery of your shipment 60 seconds or more after the published delivery commitment time for the selected service and destination, except as otherwise described in these terms and conditions). This money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

B. Limitations. The following limitations apply to any refund or credit related to a service failure:

FedEx SameDay City Tariff

(Money-back guarantee policy, cont.)

1. A credit or refund under the money-back guarantee will be applied only against charges for the shipment giving rise to the credit.
 2. At the sole discretion of FedEx, the money-back guarantee may not be honored when the request is made by, or the information utilized to determine the status of the shipment is determined by, a third party other than the payer of the charges.
 3. The FedEx SameDay City Money-Back Guarantee applies only to deliveries within the U.S.
 4. Shipments tendered for delivery on holidays that are business days for FedEx (for example, Good Friday and Presidents Day) will be scheduled for delivery on that day if the recipient business is open. However, if the recipient business is known by FedEx to be closed due to the holiday, the shipments will be scheduled for delivery on the next business day the recipient is open, but the money-back guarantee will not apply.
 5. If a delivery later than the original scheduled delivery time is requested by the shipper or recipient before the first delivery attempt is made, the delivery commitment for application of the money-back guarantee policy will be adjusted to account for the requested delivery time.
 6. If the shipper or recipient informed FedEx that the recipient location is closed on a certain day or at a certain time, or unavailable to accept delivery, the delivery commitment for application of the money-back guarantee policy will be the next business day.
- C. Exceptions.** FedEx will not be obligated to refund or credit your transportation charges or convenient delivery option charge if:
1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
 2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
 3. The shipper did not properly label the shipment in accordance with the FedEx Service Guide, including, without limitation, affixing the correct business name and contact name and deliverable address (number, street, city, state, and a five-digit ZIP code) and correctly placing the customer-specific FedEx SameDay City bar-code label on the package.
 4. The shipment contained special instructions, including, but not limited to, FedEx Delivery Signature Options or change in delivery commit time.
 5. There was an unexpected material increase in the number of packages tendered from your shipping location.
 6. A charge for additional handling or address correction applied; see Rates in the FedEx Service Guide for details.
 7. FedEx received a request to redirect the shipment from a delivery address to a Hold at Location address.
 8. The package was unauthorized (see the Package/Shipment Restrictions [Size and Weight] section).
 9. The shipment was undeliverable or returned.
 10. The shipment contained hazardous materials.
 11. The shipment was delayed due to an incorrect address or ZIP code or the unavailability or refusal of an appropriate or eligible person to accept delivery or sign for the shipment, including signatures obtained via FedEx Delivery Signature Options.
 12. The shipment was delayed due to security or other regulatory delays, including permanent, regular, or daily security procedures at the recipient location.
 13. The shipment was not properly prepared in accordance with DOT regulations and FedEx SameDay City requirements.
 14. The shipment was tendered for delivery via FedEx SameDay City Direct.

D. Refund or Credit Requests. To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.

1. You may request a refund or credit due to a service failure by submitting the request via our telephone billing option at 1.800.399.5999 (select option 4, then option 1 to leave a voice message or option 2 to speak with a live agent).
2. Your notification of a service failure must include your FedEx tracking number and invoice number, if applicable.
3. All requests for a refund or credit must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card. All requests for adjustments must be made by an agent of the billed account.
4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

Package Consolidators (including FedEx Authorized ShipCenter locations, and FedEx ShipSite locations at Office Depot and OfficeMax)

Package Consolidators are responsible for complying with all applicable requirements in this tariff.

If you tender packages to a Package Consolidator instead of to us directly, the following limitations apply:

- A.** Package Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B.** Package Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the person or entity tendering the package to the Package Consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- C.** In order for a Package Consolidator to receive packaging supplies from FedEx, the Package Consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- D.** Package Consolidators may charge FedEx Retail Rates for FedEx shipping services, but they are not required to. Package Consolidators set their own rates for reselling FedEx services.
- E.** FedEx assumes no liability, other than to the Package Consolidator, for lost, damaged or delayed shipments tendered to a Package Consolidator, as the Package Consolidator is the shipper of these packages. Package Consolidators are independently owned and operated businesses.
- F.** See the Package Consolidator representative for information regarding rates and services and the terms and conditions of carriage. Inquiries or claims regarding shipments tendered to a Package Consolidator must also be directed to the Package Consolidator.
- G.** As directed by FedEx, Package Consolidators must require a government-issued photo ID to validate the identity of their customer and must keep a record of the name and address on the ID of their customer for each package.

Package/shipment restrictions (size and weight)

The maximum limits for FedEx SameDay City packages are 150 lbs., 65 inches (in length, width or height) and 120 inches in length plus width plus height. A shipment may consist of multiple packages. The maximum limits for FedEx SameDay City shipments are 250 lbs. and 70 cubic feet. FedEx SameDay City Priority, FedEx SameDay City Standard, FedEx SameDay City Economy and FedEx SameDay City Direct multiple-piece shipments include up to 25 pieces per shipment. FedEx SameDay City Route total piece count can vary per route.

FedEx reserves the right to assess additional handling, oversize package and unauthorized package surcharges on any package whose dimensions are altered during transit, causing it to meet the parameters for these charges.

Packaging and marking

- A.** You must comply with all applicable local, state and federal laws, including those governing packing, marking and labeling for all shipments.
- B.** All shipments must be prepared and packed by the sender in such a manner as to be able to withstand the normal rigors of surface transportation and associated handling. Shipper must print and affix a FedEx SameDay City label to each package within a shipment.

FedEx SameDay City Tariff

(Packaging and marking, cont.)

C. For guidelines on packaging specific commodities go to fedex.com/packaging. Items that cannot be packed into cartons (auto tail pipes, mufflers, tires, rims, and so on) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or any other item whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. FedEx is not responsible for damage to said items if not placed in a protective container. Exposed casters, wheels or rollers are prohibited and must be removed or packaged.

D. Polystyrene foam coolers must be shipped inside a sturdy outer container unless tested and approved for acceptance by FedEx Packaging Design and Development. Information on how to submit your packaging for testing is available at fedex.com/packaging.

E. If a shipment is refused by the recipient, leaks, or is damaged, the shipment will be returned to the sender, if possible. If the sender refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment and all costs and fees of any type connected with cleanup of any spill or leakage.

F. FedEx does not recommend the use of wet ice (frozen water) as a refrigerant. Shipments containing wet ice must be prepared to prevent the leakage of any liquid, regardless of package orientation. For additional wet-ice packaging requirements, refer to the packaging guide Packaging Perishable Shipments at fedex.com/packaging.

G. **Fragile Articles/Orientation.** Packaging for all fragile articles (including, but not limited to, electronic and electrical devices, scientific testing equipment, fragile glass, crystal, porcelain, or china) should be preapproved by FedEx Packaging Design and Development prior to shipping.

For general packaging assistance, including packing, sealing and labeling tips and information on how to submit your packaging for testing or evaluation, go to fedex.com/packaging.

Pharmaceuticals

You are responsible for complying with all applicable local, state and federal laws, regulations, ordinances and rules governing the tendering of pharmaceuticals for shipment. Shipments containing pharmaceuticals must not have labels, markings or other written notice that a pharmaceutical is contained within. Select the Direct Signature Required Delivery Signature Option if you require FedEx to obtain a signature from someone at the delivery address, or the Adult Signature Required Delivery Signature Option if you require an adult signature for delivery. See the Delivery Signature Options section for details.

Pickup and delivery

A. We do not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery. Indirect delivery is a completed delivery to an address or location other than the address on the applicable address label and includes shipments delivered via Indirect Signature Required service. Shipments cannot be delivered to P.O. boxes or P.O. box ZIP codes. Package addresses must include the complete street address and ZIP code of the recipient.

B. If our first delivery attempt of a shipment to a residential or non-residential address is unsuccessful, we may make an additional attempt on the following business day unless the shipper requests and pays for same-day return to sender service.

C. Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx.

D. At our sole discretion, we may refuse to pick up or deliver a shipment (package or freight), or use alternative pickup or delivery arrangements, to maintain the safety of our employees and in cases in which we believe that our services may be used in violation of local, state or federal laws.

E. Additional charges may apply for late-hours, weekend or holiday pickup and delivery.

F. Pickup and delivery may not be available in all areas.

G. In order to facilitate delivery or release of a shipment, FedEx may, at its sole discretion, contact the shipper and/or recipient to obtain delivery instructions, or to notify them that a delivery is scheduled or that a delivery has been completed.

H. FedEx SameDay City multiple-piece shipments are limited to 25 pieces per shipment.

I. Special handling fees and additional surcharges may apply for FedEx SameDay City shipment requests. See the FedEx SameDay City Fees section for details.

J. Shipment zone and mileage are calculated by FedEx based on multiple factors to maximize efficiency in the sole discretion and determination of FedEx.

Pickup attempt

A fee applies when a shipment is not ready when we attempt pickup and the pickup is rescheduled. In addition, if the original service selected is unavailable at the rescheduled ready time, the service level will be upgraded to maintain same-day delivery and the shipment will be rerated accordingly. The new ready time can be the current day until 8 p.m. or the next business day between 7 a.m. and 8 p.m. A new ready time requested outside of those times will require a new shipment request by the customer.

Plants and plant materials

FedEx assumes no liabilities if plants and plant materials are damaged in transit or if damages result from delay of shipment. If you choose to ship plants or plant materials, including seedlings, plant plugs and cut flowers, they must be shipped in accordance with applicable local, state and federal laws. Shipments containing these items may be inspected by government agencies, which may result in a delay in delivery or seizure by government inspectors. FedEx is not liable or responsible for damage, refunds or credits resulting from such delays or seizures. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.)

Prohibited items

You are prohibited from tendering the following items for shipment, and you agree not to do so:

1. Money, cash, coins, currency, paper money and negotiable instruments equivalent to cash, such as endorsed stocks, bonds and cash letters.
2. All live animals. (Edible seafood, such as live lobsters, crabs or other types of fish and shellfish for human consumption, is acceptable, provided the shipper is in compliance with all local, state, and federal laws.)
3. Animal carcasses, except as provided in the Animal Carcasses section. (This restriction does not apply to properly packaged meat or poultry products intended for human consumption.)
4. Human corpses, human organs or body parts, human and animal embryos, or cremated or disinterred human remains.
5. Shipments that require us to obtain a local, state or federal license for their transportation.
6. Shipments that may cause damage or delay to equipment, personnel or other shipments.
7. Items resembling a bomb, hand grenade or other explosive or incendiary device. This includes, but is not limited to, inert products such as novelty items, training aids and works of art.
8. Lottery tickets and gambling devices where prohibited by law.
9. Waste material (including any hazardous waste or any material intended to be recycled), or any material defined as a "hazardous substance." This includes, but is not limited to, used hypodermic needles or syringes transported for sterilization, recycling, disposal or for any other purpose, or other medical waste.
10. Infectious human or animal cells, tissue, bodily fluids, blood, blood products, plasma, or any other material derived from human or animal blood whether in liquid or solid form; biohazards; regulated or non-regulated diagnostic cultures, specimens or samples, whether infectious or non-infectious; used health care products as defined in Title 49 of the Code of Federal Regulations; and any materials regulated as UN 2814, UN 2900, and UN 3291.
11. Hazardous materials, except as provided in the Hazardous Materials section.
12. Inhalation hazards.
13. Shipments that are wet, leaking or emit an odor of any kind.
14. Live insects.
15. Shipments or commodities that are prohibited by applicable local, state or federal law.
16. Counterfeit goods, including, but not limited to, goods under a trademark that is identical to or substantially indistinguishable from a registered trademark, without the approval or oversight of the registered trademark owner (also commonly referred to as "fake goods" or "knock-offs").
17. Tobacco and tobacco products, including but not limited to cigarettes, cigars, loose tobacco, smokeless tobacco, hookah or shisha.

Marijuana, as defined by U.S. federal law, 21 U.S.C. 802(16), including marijuana intended for recreational or medicinal use and marijuana-derived cannabidiol ("CBD"); any product with a delta-9-tetrahydrocannabinol ("THC") concentration of more than 0.3% on a dry weight basis, except as set out in 21 CFR 1308.35; and synthetic cannabinoids.
20. Raw or unrefined hemp plants, or their subparts (including, but not limited to, hemp stalks, hemp leaves, hemp flowers and hemp seeds), except as set out in 21 CFR 1308.35.

Notwithstanding any other provision of the FedEx Service Guide, we are not liable for delay of, loss of or damage to a shipment of any prohibited item. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's violation of any local, state or federal laws or regulations or from tendering any prohibited item for shipment.

Proof of delivery

- A. Verification of Delivery.** Shippers may obtain proof of shipment delivery, including delivery date, online at fedexsameday.com, via the FedEx SameDay City mobile app or by calling FedEx SameDay Customer Service at 1.800.399.5999. There is no additional charge for this service.
- B.** We will, when available, provide proof-of-delivery information for shipments delivered within our primary service areas when requested by the sender, recipient or third-party payer within 18 months of the shipping date. We assume no liability for our inability to provide a record of the proof of delivery. We assume no liability for our inability to provide documentation of the proof-of-delivery phone call for FedEx SameDay City service.
- C.** When available, we may also provide an image of the signature proof of delivery. We will, when available and when requested by the sender, recipient or third-party payer, provide an image of the recipient's signature along with other delivery information that is available in electronic form.
- D.** For FedEx SameDay City service, we will, if requested, email the shipper to provide the time of delivery and name of the person who received the delivery. An attempt is made to contact the shipper and/or recipient at the time of delivery. If unsuccessful, FedEx has no further obligation to the customer with respect to proof of performance.

Rate quotations

Rates and service quotations provided to you by FedEx, including but not limited to, rates and service quotations provided by our employees, agents, interactive voice response systems and customer automation platforms are estimates and will be based upon information provided by you, but final rates and service charges may vary from the quotes based upon the characteristics of the shipment actually tendered to us and the application of this tariff. Any conflict or inconsistency between the FedEx Service Guide and other written or oral statements or quotes (except those found in a FedEx SameDay City agreement) concerning the rates, features of service, and terms and conditions applicable to FedEx SameDay City service will be controlled by the FedEx Service Guide, as modified, amended, changed or supplemented. We are not liable for, nor will any adjustment, refund or credit of any kind be made, as a result of any discrepancy in any rate or service quotation made prior to tender of the shipment and the rates, and other charges that we invoice to you. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder

and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.

For the most current information regarding areas served and delivery commitments, check online at fedex.com/samedaycity or contact FedEx SameDay City Customer Service at 1.800.399.5999.

Refusal or rejection of shipments

We reserve the right to refuse, hold or return any shipment and may do so at our sole discretion and without liability to us. We will execute that right when (but not limited to cases in which): (1) the shipment may cause damage or delay to other shipments, property or personnel; (2) the shipment is likely to sustain damage or loss in transit because of improper packaging or otherwise; (3) the shipment contains any prohibited items; (4) the account of the person or entity responsible for payment is not in good credit standing; (5) when acceptance of the shipment may jeopardize our ability to provide service to other customers; or (6) when FedEx is unable to validate the identity of the shipper. We have no liability whatsoever for refusal or rejection of shipments.

Return options

- A.** In the event a shipment is undeliverable, the shipment will be stored overnight and delivery reattempted the next business day. If after the second delivery attempt the shipment is still not able to be delivered, the shipment will be stored overnight and returned to the shipper on the third business day. The foregoing notwithstanding, if the shipper desires the shipment to be returned on the same day, Same-Day Return To Sender may be selected at time of tender for a fee. Once selected any undeliverable shipment will be returned to the origin location the same day. For applicability of requests for returns, refer to the Same-Day Return to Sender section of this tariff. FedEx SameDay City return options are subject to all other terms and conditions provided in the FedEx SameDay City claims regulations, and as a whole, the tariff. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment.
- B.** Return to Sender must be selected at the time of order entry for return authorization if not delivered same day. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment. FedEx shall not be liable for any damage to a shipment or claim arising out of the use of a return to sender option unless the shipment was lost during shipment or there was visible damage noted by the driver at time of delivery. FedEx shall not be liable for any concealed damage for items returned by selecting return to sender. Receipt of a shipment without written notice of damage on the delivery record is *prima facie* evidence that the shipment was delivered in good condition. FedEx liability for any loss or damage arising out of an authorized return to sender shipment shall never exceed the actual amount of damage or the declared amount, whichever is lower. All other terms and conditions related to FedEx SameDay City claims regulations and, as a whole, the tariff, shall apply for shipments shipped through the use of a FedEx SameDay City return option.
- C.** FOR FEDEX RETURNS, NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE PARTY THAT INITIATES A RETURN TO SENDER SHIPMENT TRANSACTION WITH FEDEX IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND PICKUP FEES, INCLUDING ANY SPECIAL HANDLING FEES, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE SENDER OR THIRD PARTY FAILS OR REFUSES TO PAY.

Routing and rerouting

FedEx may accept a request to reroute a shipment subject to the following conditions:

1. A special handling charge will be billed per the payment method specified for each rerouted shipment, and it will appear as an address correction on the invoice. See Rates in the FedEx Service Guide for details.
2. To reroute a shipment, the sender must call FedEx SameDay Customer Service at 1.800.399.5999 and provide us with a FedEx account number, the FedEx tracking number, the new destination and a valid contact telephone number for the recipient.
3. We may not honor a reroute request from the recipient.
4. Our money-back guarantee policy does not apply to shipments that are rerouted. We have no liability or any remedy for service failure for these shipments.

FedEx SameDay City Tariff

(Routing and rerouting, cont.)

5. Only one reroute will be allowed per shipment.
 6. FedEx may not reroute shipments when Adult Signature Required has been selected as a delivery signature option.
 7. Hazardous materials may not be rerouted to an address other than the original intended-recipient's address provided by the shipper, unless dry ice is the only type of hazardous materials contained in the shipment.
 8. Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply.
- We will determine the routing of all shipments.

Same-day return to sender

Same-day return to sender is a fee charged on undeliverable shipments when customers have selected that the shipment is to be returned the same day or as soon as possible. It is assessed only when the shipper selects this option and the shipment was rendered undeliverable.

Service areas

Service areas are subject to change without notice. For current service area information on selected ZIP codes, please go to fedexsameday.com or call customer service at 1.800.399.5999.

Signature releases

- A. Shipments with a declared value of less than US\$500 may be delivered and released without obtaining a signature when the sender has authorized a release or, at our sole option, upon oral or written instruction from the sender or recipient. We may authorize shipments released without signature to those with accounts in good credit standing and to those who otherwise have established a satisfactory payment history. We also reserve the right to release shipments at residential delivery locations without obtaining a signature, provided that none of the restrictions below apply.
- B. At our sole discretion, some shipments may not be released without a delivery signature even when release is authorized, including, but not limited to:
 1. Damaged shipments.
 2. Hazardous materials shipments, except those with dry ice as the only hazardous materials in the shipment.
 3. Shipments billed to an invalid or missing credit card number.
 4. One or more packages in a multiple-piece shipment if all packages cannot be safely released.
 5. The delivery location or circumstances are unsuitable for release without signature as determined at our sole discretion.
- C. At our sole discretion, shipments having a declared value of US\$500 or greater may not be released without a signature even where the release is otherwise authorized.

Tobacco and tobacco products

Tobacco and tobacco products are prohibited. Please see the Prohibited Items section.

Undeliverable shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient refuses to accept the shipment prior to, during or after delivery.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx SameDay City.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.

- A. Undeliverable shipments may be returned via FedEx SameDay City service at the payer's expense. Shipments will be returned via FedEx SameDay City service at no additional charge if the shipment is undeliverable because of damage to the shipment caused by FedEx. However, if the shipment is undeliverable for any other reason, FedEx

reserves the right to assess return transportation charges and fees to the original payer, along with the original transportation charges and fees. If a package is marked "Bill Recipient" and is refused or returned to the sender, the billing is automatically changed to "Bill Sender."

- B. Our money-back guarantee policy does not apply to undeliverable or returned shipments.
- C. FedEx reserves the right, at its sole discretion, and without notice, to sell, destroy or otherwise dispose of undeliverable shipments. By tendering a shipment, the shipper agrees to transfer and convey good and sufficient title of the contents of undeliverable shipments to FedEx, and agrees to pay any costs incurred in the sale, destruction or disposal thereof.

II. Term of Master Agreement

- 2.1 Initial Term.** The initial term of this Master Agreement is for five (5) years.

~~The Master Agreement may be extended for a reasonable period of time, not to exceed 120 days, if in the judgment of the Lead State a follow-on, competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection shall not be deemed to limit the authority of a Lead State under its state law otherwise to negotiate contract extensions.~~

- 2.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions. The pricing applicable to any

such extension shall be adjusted by the Contractor using the price adjustment process as set out herein.

III. Order of Precedence

- 3.1 Order.** Any Order placed under this Master Agreement will consist of the following documents:
- 3.1.1** A Participating Entity's Participating Addendum ("PA");
 - 3.1.2** NASPO ValuePoint Master Agreement, including all attachments thereto;
 - 3.1.3** A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
 - 3.1.4** The Contractor's Service Guide in effect at the time of shipment.~~The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;~~
 - ~~**3.1.5** Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.~~
- 3.2 Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement shall apply to the extent they are not in conflict with the terms contained herein or in an individual PA.~~are only those that are expressly accepted by the Lead State and~~ Such Contractor terms and conditions must be in writing and attached to this Master Agreement as an Exhibit or Attachment or incorporated by reference.
- 3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality

requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order. Any additional services not provided for herein: (1) utilized by a Purchasing or Participating Entity, and (2) whether provided by the Contractor or a Contractor subsidiary or affiliate, shall be provided by Contractor at list rates and pursuant to Contractor's Service Guide terms and conditions unless otherwise agreed upon by the parties. It is understood and agreed upon by the parties that such additional services may be provided pursuant to the terms of a separate agreement and not bound by the terms of this Master Agreement or a state PA.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as

explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 5.2 Administrative Fees**
- 5.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO

ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee. Contractor shall have the right to withhold payment of any Administrative Fee until such time as all outstanding or delinquent invoices have been paid.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Summary Sales Data. The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://calculator.naspovaluepoint.org>. 5.3.2 Detailed Sales Data. As mutually agreed upon by the parties and subject to the price adjustment provision set out below, Contractor shall also report detailed sales data by: (1) state; (2) ~~entity/customer type, e.g. local government, higher education, K12, non-profit;~~ (3) Purchasing Entity name; (4) ~~Purchasing Entity bill to and ship to locations;~~ (43) Purchasing Entity and Contractor Purchase Order identifier/number(s); (5) ~~Purchase Order Type (e.g. sales order, credit, return, upgrade, determined by industry practices);~~ (6) ~~Purchase Order date;~~ (47) Ship Date; (58) and line item description, including product number if used. The report must be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports must be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal or other method as determined by the Lead State

and NASPO ValuePoint. Detailed sales data reports must include sales information for all sales under Participating Addenda executed under this Master Agreement. Contractor shall have the right to adjust its pricing applicable to Purchasing Entities which require detailed sales data beyond the standard sale data customarily provided to Contractor's commercial customers.

5.3.3 Personal Use Prohibited. It is understood and agreed upon by the parties that the services and rates provided by Contractor herein shall not be available for personal use by employees of any entity participating under this agreement.

~~**5.3.35.3.4 Reporting on Personal Use.** Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating Addendum. Report data for employees should be limited to ONLY the state and entity ((state and agency, city, county, school district, etc.) under whose authority the employee is purchasing Product for personal use and the amount of sales. No personal identification numbers (e.g., names, addresses, social security numbers or any other numerical identifier) may be submitted with any report.~~

5.3.45.3.5 Executive Summary. Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.

~~**5.3.55.3.6 Use of Data.** Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports will have exclusive ownership of the media containing the reports, however, Contractor shall retain all intellectual property rights in the proprietary formats in which the reports are presented. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable the right to display, modify, copy, and otherwise use reports, data and information provided under this section as mutually agreed upon by the parties.~~

ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

5.4.2 Onboarding Plan. Upon request by NASPO ValuePoint and mutually agreed upon by the parties, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

5.4.3 Annual Contract Performance Review. Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

~~**5.4.5 Most Favored Customer.** Contractor shall, within thirty (30) days of their effective date, to notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreements or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.~~

5.5 Cancellation. In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement ~~pursuant to section 28~~, or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead

State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws. Notwithstanding the above, Contractor shall have the right to terminate the Master Agreement for its convenience upon 30 calendar days written notice.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.
- 6.1.1** All prices and rates must be guaranteed for the initial term of the Master Agreement.
- 6.1.2** Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal guarantee period and must be made at least 60 days prior to the effective date.
- 6.1.3** Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.
- 6.1.4** No retroactive adjustments to prices or rates will be allowed.
- 6.1.5** Any services provided by Contractor and not addressed herein shall be charged at list rates unless otherwise agreed upon by the parties.
- 6.1.6** In the event a new Participating Addendum has not been executed by September 17, 2021, all services provided for herein by Contractor shall be charged at list rates from the Effective Date of this new Agreement. For Participating Addenda executed after September 17, 2021, all applicable discounts shall become effective no earlier than 75 days from the Effective Date of such Participating Addendum.
- 6.1.46.1.7** At the conclusion of the Initial Term of this Agreement, and in the event a new new Master Agreement has not been executed by November 27, 2026, all services provided for herein by Contractor shall be charged at list rates.
- 6.2 Payment.** Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the

Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

- 6.3 Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. VII. Ordering

- 7.1 Order Numbers.** Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence, to the extent such information has been provided to Contractor on the necessary shipping documents.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.
- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- 7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.
- 7.5 Term of Purchase.** Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.
- 7.5.1** Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.
- 7.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.

- 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.
- 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.
- 7.6 Order Form Requirements.** All Orders pursuant to this Master Agreement, at a minimum, must include:
- 7.6.1** The services or supplies being delivered;
- 7.6.2** A shipping address and other delivery requirements, if any;
- 7.6.3** A billing address;
- 7.6.4** Purchasing Entity contact information;
- 7.6.5** Pricing consistent with this Master Agreement and applicable Participating Addendum and as may be adjusted by agreement of the Purchasing Entity and Contractor;
- 7.6.6** A not-to-exceed total for the products or services being ordered; and
- 7.6.7** The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.
- 7.7 Communication.** All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.
- 7.8 Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed

by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

VIII. Shipping and Delivery

8.1 Shipping Terms. ~~All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.~~

8.1.1 Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.

8.2 Minimum Shipping. ~~The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.~~

8.3 Inside Deliveries. To the extent applicable and in conformity with the terms of Contractor's Service Guide, all deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions as agreed upon by the parties will be noted on the order form or Purchase Order. Costs to repair any damage to the building interior (e.g., scratched walls, damage to the freight elevator, etc.) caused by Contractor or Contractor's carrier will be the responsibility of the Contractor. Immediately upon becoming aware of such damage, Contractor shall notify the Purchasing Entity placing the Order.

~~**8.4 Packaging.** All products must be delivered in the manufacturer's standard package. Costs must include all packing and/or crating charges. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton must be marked with the commodity, brand, quantity, item code number and the Purchasing Entity's Purchase Order number.~~

IX. Inspection and Acceptance

9.1 Laws and Regulations. Any and all Products offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations.

~~**9.2 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section IX will apply. This section is not intended to limit rights and remedies under the applicable commercial code.~~

- ~~**9.3 — Inspection.** All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.~~
- ~~**9.3.1** Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.~~
- ~~**9.3.2** Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.~~
- ~~**9.4 — Failure to Conform.** If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. 12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property

Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

- 14.8.2** Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of fifteen (15) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.
- 14.10 Debarment.** The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency.
